Subject: [AskPLSA] Give the gift of reading total
Attachments: ATT00001.txt; ATT00002.txt

Hi all,

I just wanted to let you know that as a state wide network, we collected and donated 2877 books for children and young people in our communities at Christmas time through the Give the Gift of Reading Program.

Huge thanks to everyone who came on board last year and we hope to make the process easier for other libraries to participate this year if interested.

Can those libraries who partnered with Australia Post last year please give me some feedback on how your partnership worked and how many books were donated through the post office. This was a trial partnership that we are keen to consolidate this year so please contact me at the email address or phone number below.

Thanks again to everyone who participated in the program, helped promote the program, donated books, collected statistics and created pie charts (Veronica) and gave us feedback.
